— INGREDIENTS —

# ORIGINS

The pomegranate is a fruit native to Asia Minor. It originates from the regions of Persia and Afghanistan, but its cultivation quickly spread to all Mediterranean countries, particularly the Middle East. Turkey, Egypt, and Palestine are among the main producers.

The pomegranate is gaining increasing popularity in the world of **pastry and gelato**, thanks to its **distinctive taste** and **versatility**. This fruit adapts perfectly to original creations, adding a touch of freshness and color to every preparation.

## 9032 PASTA MELOGRANO 100 AN

A 100% natural product with an intense pomegranate flavor, ideal for crafting delicious gelatos and sorbets. The paste is also perfect for other creations that capture *the fragrance* of this iconic autumn fruit.
