## FASTFRUIT MELA VERDE

For green apple flavored sorbets.

## VARIEGATO EXOTIC

Made with mango, passion fruit, and guava, it is fresh and energizing, ideal for variegating yogurt.

## VARIEGATO DRAGON FRUIT ZERO

Dragon fruit, also known as pitahaya or dragon fruit, originates from Central America. Its exterior ranges from pink to reddish-brown, while the interior is white or red with seeds. Rich in minerals. No added sugars.

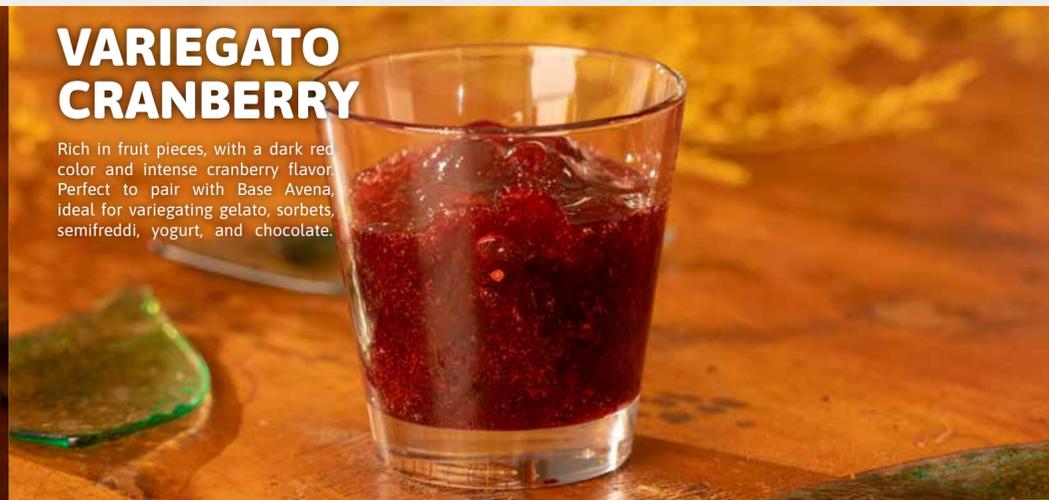

## BANANA BREAD

Typical American dessert. It faithfully reproduces the taste of the original product with aromatic notes of cake, banana and cinnamon.

## VARIEGATO CRANBERRY

Rich in fruit pieces, with a dark red color and intense cranberry flavor. Perfect to pair with Base Avena, ideal for variegating gelato, sorbets, semifreddi, yogurt, and chocolate.

## VARIEGATO MELA E CANNELLA

Rich in apple pieces. Recommended pairing with Biscokrem Paste.

## BASE ZERO

Base for producing sorbets without added sugar, to be used also with vegetable pastes such as hazelnut, pistachio, almond, walnut and with raw materials. Such as cocoa, coffee, licorice etc. It does not contain milk and dairy products.
